

# Operations Department <sup>[1]</sup>

The Operations Department takes great pride in its service delivery. This service delivery will be accomplished in a cost effective and professional manner using the most progressive technological and personnel resources that can be obtained within the constraints that are made available to the department through its citizens.

The Operations Department is divided into four main functions: [Streets and Drainage](#) <sup>[2]</sup>, [Water and Sewer](#) <sup>[3]</sup>, [Water Treatment and Supply](#) <sup>[4]</sup>, [Traffic and Facilities](#) <sup>[5]</sup>.

The Operations & Maintenance Division Superintendent reports directly to the Public Works Director. The Superintendent oversees the Streets/Drainage, Water/Sewer, Water Treatment/Supply, Traffic and Motor Pool Divisions.

---

## Fire Hydrant Permit

This permit authorizes the use of City of Kelso owned Fire Hydrant. (KMC 13.04.330)

[Fire Hydrant Permit Application](#) <sup>[6]</sup>
